How do I find product key for windows 7 ultimate 32 bit from here : Please help?. I have Ultimate XP Pro activated. Product ID: 00426-292-0000007-85173 Windows 7 Ultimate 32-bit Product ID Type: 5 Windows License . Hello. i have got product id 00426-292-0000007-85173 for windows 7 ultimate 32 bit and i want to activate my product but it's not active please help me thanks in advance. Product ID: 00426-292-0000007-85173 Windows 7 Ultimate 32-bit Licence Type: 5 Windows License!!!! I recently bought a new pc that came with windows 8 but was not activated, in effort to upgrade back to windows 7 ultimate, i tried to activate a trial version which my new pc doesn't seem to have, the problem is that i have tried multiple keys for windows 7 ultimate but none seem to be working. I have searched through the registry for the key and can't find it, is there another place i can find the key for windows 7 ultimate? Product ID: 00426-292-0000007-85173 Windows 7 Ultimate 32-bit Licence Type: 5 Windows License!!!! i have this product id, but not sure how to get the key. i never had it before, how do i get it, i forgot the key i try every id available and nothing!!!! Product Id : 00426-292-0000007-85173 Please provide the product key for this product.. 5 Windows License Get the repair tool . Sep 19, 2013 Forum topic Advertisement Hi, after two of my previous activation attempts failed, I have been given another product key. They are : Product ID: 00426-292-0000007-85173 Product ID: 00426-292-0000007-85175 Can you post the correct key on the Windows 7 - License page? Hi, I've forgotten the product key for my laptop, but I think it's 7x832-0421-33e2. Can you tell me where I can find that key? I'm trying to activate Windows 7 Ultimate on my PC. Thanks for the info. Hi, I have forgotten the key for my laptop as it has been formatted. f678ea9f9e
